

Envoy Services --- Japan

*Assisting Pennsylvania Companies to Establish
a Permanent Presence in the Japanese Market*

Working with Pennsylvania Department of Community and Economic Development, Sakamoto Works LLC provides Envoy Services to Pennsylvania companies. This new cost-effective program is designed to assist Pennsylvania companies wishing to create a long-term marketing, sales, and product and services development presence in Japan, the most advanced and sophisticated market in the world.

Envoy Services provides companies with:

- **A Knowledgeable and Informed Partners:**

Sakamoto Works LLC is familiar with Pennsylvania's export promotion programs and services, and has long experience in assisting companies entering the Japanese market.

- **A Needs-Based Approach:**

Sakamoto Works LLC works with companies in developing the scope of work and establishing the goals for company-specific business strategies in the Japanese market.

- **Representation at a Fraction of the Cost:**

Envoy service fees vary according to required skill sets and the need for full-or part-time representation. Reduced overhead and operation costs mean very cost-efficient and flexible value proposition for Pennsylvania companies.

Note: In addition to program fees, companies will be responsible for extraordinary expenses, including travel and communications. Dedicated phone, fax and web site services for your office are also available at an additional charge.

Although your Envoy Representative will serve as an on-the-ground employee that you direct to execute your business plan, they will be either a legal employee or contractor of Sakamoto Works LLC, thereby freeing your company from any legal obligations, costs and risks associated with directly hiring foreign nationals.

- **Limited Term Commitments:**

Sakamoto Works LLC offers a 1-year, renewable contract.
