

## NEPA & PennDOT

The Northeastern Pennsylvania Alliance (NEPA) and PennDOT have partnered to offer the Local Technical Assistance Program (LTAP) training series in both the Lackawanna-Luzerne

Metropolitan Planning Organization (MPO) region and the NEPA Rural Planning Organization (RPO) region, which includes Carbon, Monroe, Pike, Schuylkill & Wayne Counties.

### About LTAP

LTAP is designed to help Pennsylvania's municipalities, which maintain over 68,000 miles of roadways make the best use of their roadway maintenance dollars. LTAP provides technical information and proven technologies dealing with roadway maintenance and safety methods to meet the growing demands on municipal governments. LTAP services include workshop training, on-site technical assistance, updates on the latest technologies and innovations, field demonstrations and newsletters.

For more information about LTAP, visit the National LTAP Association (NLTAPA) website at [www.ltap.org](http://www.ltap.org) or the Pennsylvania LTAP website at

[www.ltap.state.pa.us](http://www.ltap.state.pa.us) or call 1-800-FOR-LTAP (1-800-367-5827).

### Who Can Attend?

All LTAP training courses are free to all employees of municipalities, counties, government authorities and agencies.

### Registration

To register, visit [www.ltap.state.pa.us](http://www.ltap.state.pa.us) and log on using your username and password. First time users must first set up an account by clicking on "Create Account." To view a listing of courses, visit [www.ltap.state.pa.us](http://www.ltap.state.pa.us) and click on "Current Courses."

### Technical Assistance

LTAP engineers are available by phone, email and in person to help municipalities troubleshoot specific maintenance and safety problems on local roadways. To request technical assistance, please call 1-800-FOR-LTAP (1-800-367-5827) or contact Kate McMahon, NEPA Alliance at 570-655-5581.

### Road Scholar Certification Program

The Road Scholar Program provides training opportunities for municipal employees by LTAP's professional team in the latest technologies and innovation through a series of workshops. The Road Scholar certification program offers a comprehensive curriculum of the latest techniques and information regarding road maintenance procedures that result in tax dollars savings

through work efficiencies and enhanced safety practices. Courses are conducted by LTAP's technology transfer specialists, who are well versed in the latest innovations and technologies.

### Course Dates & Locations

In case of inclement weather, call NEPA at 570-655-5581, ext. 249 for cancellation information.

**Registration: [www.ltap.state.pa.us](http://www.ltap.state.pa.us) or contact NEPA at 570-655-5581**
