**Est. Let Date:** 10/17/2013

**Actual Let Date:**

**Geographic Limits:** T-535 TO T-537 : POCONO TOWNSHIP :

**Narrative:** This project is located on SR 611 in Pocono Township, Monroe County. The project begins at Segment 310 Offset 0000 and ends at Segment 340 Offset 0755.

The existing roadway is four lanes with a mountable curb and breaks in the mountable curb to allow for left hand turns from the passing lane. This project is a safety project and will widen the roadway to allow for tuning lanes at specific locations throughout the corridor. It will improve the safety of the roadway by taking the turning traffic out of the passing lane into a designated turning lane. A traffic signal will be installed at the Brookdale Road intersection with SR611. The bridge near Anthony's Steak House will be replaced with a Reinforced Concrete Box Culvert. Two retaining walls will need to be constructed.
