**NEPA MPO 2021-2024 Transportation Improvement Program Timeline**

### 1/2020
- **Program Center** conducts individual meetings with MPOs, RPOs and District Offices to review all candidate projects, to agree on projects for inclusion in the TIP and negotiate/resolve any remaining issues. PENNDOT, via the Program Center, submits comments and proposed Program revisions back to the MPOs and RPOs, and shares this information with the Districts and FHWA/FTA.
- MPOs and RPOs receive training on EJ Core Elements Data.
- MPOs, RPOs and PENNDOT reach agreement on the respective portions of the Program. TIP/TYP negotiations are concluded.

### 2/2020
- PENNDOT obtains joint approval from FHWA and FTA of the 2021 Transportation Improvement Program (STIP) to FHWA/FTA for review and approval. FHWA coordinates with US EPA on the approval of air quality conformity documents.
- PENNDOT sends draft TIP to FHWA for eligibility review.
