# NEPA Client Testimonials

Ashley Machine and Tool has had many beneficial experiences with NEPA Alliance. We have utilized their expertise to expand our business and connect to government bids. Each member of the NEPA team has one thing in common – a desire to help businesses like Ashley to grow, expand, and succeed. Their willingness to help every step of the way brings hope to the small businesses of Northeast Pennsylvania. Ashley recently had the opportunity to benefit from a PIDA loan and NEPA was a tremendous help during the process and was there to assist and answer questions.

“We are extremely satisfied with the opportunities the NEPA Alliance has provided us! Through the GAP program we were able to significantly improve and grow our international offerings through externalizing our website. As our budget is tight, the grant money gave us a chance to film content we would not have been able to film otherwise, to work with production teams in the Latin market, and to market our products in a more effective manner!”
